# ANTISOCIAL PERSONALITY DISORDER (ASPD) AND MALINGERING

**Purpose:** To enhance skills in identifying and addressing Anti-social Personality Disorder and Malingering

## Workshop Information

### Location:

Bring this training to a location near you. Contact our training coordinator at (402) 684-2210. There are many benefits to being a sponsor! Please discuss these with our coordinator.

### Date & Time:

This program takes approximately 4.5 hours of attendance and is pre-approved for 4.0 Contact Hours through the Nebraska Nurses Association and meets criteria for continuing education for mental health professionals in Nebraska.

**Call Midwest Country Clinic, LLC for more information at 402-684-2908.**

## Objectives

- \* Identify and explain what a personality disorder is
- \* Review features of and diagnostic criteria for ASPD
- \* Identify safety concerns to consider when with ASPD's
- \* Discover interventions and treatment approaches for ASPD clients
- \* Define malingering and identify theoretical models
- \* Determine educational and professional needs in the area

## About the Presenter...

Melissa Dearmont, MSW, LCSW, LMHP, CMSW, EAP Certified is a licensed mental health practitioner and certified master social worker with more than 10 years of experience. She has developed, implemented, supervised, evaluated, and facilitated court-ordered outpatient treatment programs for criminal offenders. She has provided testimony in court commitment hearings, assessed and treated mentally ill and dually diagnosed offenders with the prison system. She is certified in two popular approaches to treatment of antisocial personality disorder and facilitated groups both within the prison and on an outpatient basis.
