

Conflict Management:

What Healthcare Can Learn From the Code of the West

As featured at Nebraska Nurses Association Conference and Nebraska Health Educators Conference

This presentation offers a powerful message! Laced with everyday tools and fresh approaches to the workplace that anyone can benefit from, this speaker presents tools that will decrease conflict in the workplace, increase productivity, and enhance staff morale!

“The knowledge. . . the humor. . . the tools. . . I want to here this speaker again!”

“What a fresh approach to an old and common topic!”

Melissa Dearmont, MSW, LICSW, LIMHP, CMSW, EAP Certified has an amazing ability to communicate a message to her audience that has lasting effects! Everyone will relate to Melissa and appreciate her enthusiasm and charge for positive change in communication tactics and workplace cultures!

“The learning will continue long after the workshop!”
